### **2022 Immunization Requirements for Children Entering Kindergarten and 7th Grade, or Enrolling in a New School District in Grades 1-12**

Immunizations are one of the most effective and scientifically proven measures to protect children from harmful diseases and death. Students must have up-to-date certificates of immunizations at the time of registration for entry into kindergarten, 7th grade, and for enrollment into a new school district, grades 1-12th.

**Parents must have one of the following on file for their child by **Friday, September 16** or the student may not continue to attend school:**

1. A valid, current immunization record.
2. A medical doctor's (M.D./D.O.) signed State of Michigan 2022 Medical Contraindication Form, which states the medical contraindication(s), the vaccines involved, and the time during which the child is not able to get the vaccines.
3. A current, certified State of Michigan 2022 Nonmedical Immunization Waiver Form required under Michigan Administrative Rules.

Waiver forms must be obtained at the Shiawassee County Health Department. Please be aware that currently appointments for waivers are only scheduled on Tuesdays and immunization shots given at the Health Department can be scheduled on Wednesdays. Please call 989-743-2318 to schedule an appointment if necessary.

**School Day Start and End Times**

Each morning, the doors at Corunna Middle School will open at **7:15 a.m.** Students will not be allowed to enter the building before this time. School starts at **7:45 a.m.** Students that wish to have breakfast at school will be given time from 7:15-7:45 a.m. If necessary, students can finish breakfast during morning announcements. The school day ends at **2:35 p.m.** More specific information will be coming soon in a later update about arrival and dismissal procedures.

**"NO PEANUTS PLEASE"**

Our amazing student population will include more than one student with a life threatening peanut allergy. We are asking you to start thinking now about snacks and lunch items that you can send to school that do not include peanuts. Attached you will find a PDF with ideas. Our breakfast and lunch menu will be peanut free. Each room in the building will have specific protocols to follow and they may be different. **One way to help is to have your child brush their teeth and wash their hands AFTER they eat breakfast before coming to school.** [No Peanuts Please](#) [Peanut Free Snack Suggestions](#)

**Athletics**

Middle school fall sports officially begin on August 22 . Additional information about cross country and girls basketball will be available during CAVS Week. Physicals must be on file for students to participate in practices. Physical forms are available in the middle school office.

**Bus Transportation**

In order to prioritize safety on our school buses, we will be spending extra time reviewing bus procedures and expectations the first few weeks of school. This may delay routes home while we assure that all students are aware of our routines. Thank you in advance for your patience and understanding.

**Character for CAVS Curriculum**

We are incredibly excited to announce our Character for CAVS Curriculum for our K-7th grade students. This will include weekly lessons that will provide students with skills to help with things such as goal setting, emotional regulation, problem solving, bullying/harassment, etc.

Feel free to click [Overview Scope and Sequence K-7](#) to get more in depth information. Feel free to contact Jamie Johnston, District Curriculum Director, at [jjohnston@corunna.k12.mi.us](mailto:jjohnston@corunna.k12.mi.us) for any additional questions or information.
