📚November Family Read

I Survived the American Revolution, 1776 (I Survived #15) by Lauren Tarshis

We chose this engaging historical fiction book for November as we are diving into early American history. We are starting with the thirteen colonies, and soon will be learning about the American Revolution. We are excited to discuss this book with your students!

We want to express how grateful we are for our students and families. Thank you for your continued support and encouragement.

With appreciation,
The SOAR Team 🧡
