New York Gridlock Ultimate

Event Manager

The NYGL Event Manager will oversee the execution of all home games, watch parties, and other events. This person will ensure that every aspect of game-day operations runs smoothly and will provide an exceptional experience for fans. The Event Manager will also support live-stream production and oversee the sourcing and management of volunteers. NYGL is seeking a person who is team-oriented, collaborative, and culturally aligned with NYGL's mission.

Key Responsibilities

Execute all aspects of NYGL home games as the main, on-site point person
Fan and community engagement

- Implement strategies to enhance fan engagement before, during, and after games (halftime entertainment, vendors, etc.)
- Create initiatives and events that foster a sense of community among fans, enhancing their overall experience.

Volunteer sourcing and management

- Recruit and manage volunteers for game-day operations and events
- Ensure volunteers are equipped to perform their duties effectively
- Oversee volunteers on-site at home, ensuring they are well utilized and supported

Watch parties and other events

- Lead and execute watch party events
- Collaborate with team leadership to plan and execute other team events for fundraising and community building
- Collaborate with team leadership to ensure the smooth execution of watch parties and other events

Preferred Qualifications

- Spanish speaking
- Knowledge of the PUL rules and regulations
- Sports management experience

Compensation

- $150 per game; $50 per watch parties
