

## ***PSA Reflection***

**Instructions:** Make a copy of this document in Google Drive and title it *PSA Reflection* by (your name). Use the bottom portion of your copy of the document to write a two paragraph reflection on your experience making the Public Service Announcement. Be sure to give your reflection a title, and also type your name in the upper right hand corner.

**Assessment:** Your PSA Reflection will be assessed in the *History & Theory* category of your grade for this project. You will be assessed on how well you prove what you know and learned about the process of making a public service announcement.

**Reflection:**

1. What were some of your greatest challenges during *Preproduction*?
2. What are your favorite memories from the *Production* process?
3. List and explain some of the artistic or technical skills you gained from the production process.
4. List and explain some of the artistic or technical skills you gained from the postproduction process.
5. If you were to make a PSA again wow would you do things differently in the future?
6. How do you think your PSA will work toward the good of humanity?
