

Hanksville Elementary Community Council

2:40 PM

Thursday, Jan 20, 2022

Parents make a difference. Parents serving on the HES Community Council decide how to spend money allocated from the Land Trust Funds of Utah.

School Community Council members are often willing volunteers who care about students' success and overall school improvement. In the process of encouraging parents and school employees to participate in the School Community Council, information about the Council can be found at <http://www.schoollandtrust.org>
