

# Your Voice Matters! Take the Comprehensive School Survey

Dear Parents/Guardians,

We are in the final 2 Days of the Comprehensive School Survey. We are striving for the district Goal of 80% for the Parents/Guardians portion of the Survey. The CSS is designed to gather valuable feedback from our families and help us improve our school community. Your input is essential in shaping a positive and enriching learning environment for all our students.

**We currently are at 51% for completion for the Parents/Guardians portion of the CSS**

## Why Participate?

- **Your Voice Counts:** Share your thoughts on what we're doing well and where we can improve.
- **Make a Difference:** Your feedback directly influences school decisions and initiatives.
- **Stronger School Community:** Together, we can build a better school for our children.

**IF we can reach our goal of 80% for Parents/Guardians, Dr. Ammerman has allowed a FREE DRESS DAY (To be communicated at a later date)**
