

Privacy Policy for TaxLens

Last updated: February 2026

TaxLens (“we”, “our”, or “us”) respects your privacy.

This Privacy Policy explains how we collect, use, and protect your information when you use the **TaxLens** app (“App”).

By using the App, you agree to the practices described in this Privacy Policy.

1. Information We Collect

a. Information You Provide

When you use TaxLens, you may provide:

- Receipt images or files
- Expense details (amount, merchant name, date, category)
- Optional notes or tags
- Subscription status (managed by Apple)

b. Automatically Collected Information

We may collect limited technical data to ensure the App functions properly, such as:

- Device type and operating system
- App version
- Crash and performance diagnostics

We do **not** collect precise location data.

2. How We Use Your Information

Your information is used solely to provide and improve the App’s core functionality, including:

- Scanning and extracting receipt data
- Categorizing expenses
- Estimating deductible expenses and tax savings
- Generating reports (PDF / CSV)
- Syncing data across devices (if enabled)
- Improving app stability and performance

3. Data Processing & AI Features

TaxLens may use automated systems to analyze receipt images and extract information.

These processes are used **only** to provide App features and are **not** used to train public AI models or shared for advertising purposes.

4. Data Storage & Security

- Your data is stored securely using industry-standard protections.
- Cloud sync and backup are optional features tied to your account.
- We take reasonable measures to protect your data from unauthorized access.

No system is 100% secure, but we work to safeguard your information.

5. Data Sharing

We do **not** sell, rent, or trade your personal data.

Your data may be shared only when necessary:

- With Apple, for subscription and payment processing
 - With trusted service providers that help operate the App (e.g., cloud storage or analytics), under strict confidentiality agreements
-

6. Subscriptions & Payments

TaxLens does **not** collect or store your payment information.

All payments and subscriptions are handled by Apple through the App Store. Please refer to Apple's privacy policy for payment-related data.

7. Data Retention

We retain your data only as long as necessary to provide the App's services.

You may delete your receipts or stop using the App at any time.
Subscription cancellation does not automatically delete stored data.

8. Your Rights

Depending on your location, you may have the right to:

- Access your personal data
- Request deletion of your data
- Correct inaccurate information

To make a request, contact us at the email below.

9. Children's Privacy

TaxLens is not intended for children under the age of 13.
We do not knowingly collect personal data from children.

10. Changes to This Policy

We may update this Privacy Policy from time to time.
Any changes will be reflected in the App with an updated revision date.

Continued use of the App indicates acceptance of the updated policy.

11. Contact Us
