

# TO CITE AN ONLINE ARTICLE

1. Click the **Sign In** button in the upper right hand corner on the [EasyBib](#) website. It looks like this:

2. Sign In using your BIS email address and password. Click the **Google** option.

3. Once you are in, click the **EasyBib** icon in the upper left. It looks like this...

4. On the next page choose the orange **Create Citations** button.

5. On the next page choose **Website** for the type of course you are citing.

## Choose your source:

Website

Book

Journal

More ▾

6. Paste the website address of the article you are citing in the box and click the orange **Search** button.

## Find your website ▾

Cite a website by entering its URL or by searching for it.

Search

[I'll enter the source information manually](#)

7. On the next page, make sure the link EasyBib is showing you is the same article you have.  
8. If this is the correct article click the orange **Cite** button.

Search > Results for **website** titled <https://www.sciencefocus.com/news/ocean-plastics-smell-like-food-to-turtles/>

Ocean plastics smell like food to turtles  
Lipscombe-Southwell  
<https://www.sciencefocus.com/news/ocean-plastics-smell-like-food-to-turtles/>

Cite

9. On the next page see what additional info EasyBib needs. See what info you need to find on your original article website (if it is the publisher, it is probably at the bottom of the website your article is from).

Here's what we found:

✓ <b>Article Title</b>	Ocean plastics smell like food to turtles
✓ <b>URL</b>	<a href="https://www.sciencefocus.com/news/ocean-plastics-smell-like-food-to-turtles/">https://www.sciencefocus.com/news/ocean-plastics-smell-like-food-to-turtles/</a>
✓ <b>Website Title</b>	BBC Science Focus Magazine
✓ <b>Date Accessed</b>	March 18, 2020
✓ <b>Date Published</b>	March 15, 2020

Here's what we'll need your help with:

1 **Publisher / Sponsor**

Edit on next step

10. Go back to your article to find the missing info. Enter it in EasyBib.

11. Click the orange **Continue** button.

✓ **Date Published** March 15, 2020

< Back to Search results

Continue >

12. Find the info on the article website page you need to complete the citation.

★ Add in any information you have below. The starred boxes are strongly suggested.

**What I'm citing**  
Article title

**Contributors**  

Author	First Name	MI / Middle	Last Name	Suffix
<input type="text" value="Alice"/>	<input type="text" value="Lipscombe-So..."/>			

[+ Add another contributor](#)

**Online publication info**  
Website title   
Publisher / sponsor   
URL   
Electronically published  

Day	Month	Year	Time
<input type="text" value="15"/>	<input type="text" value="March"/>	<input type="text" value="2020"/>	

**More options**

### TO CITE A PRINT BOOK

1. Go to **www.easybib.com**
2. Click **Create Citation**.
3. On the next page select **book** for what you are citing.
4. Type in the ISBN number in the blue box. The ISBN number is on the back of the book near the barcode (NOT the BIS barcode). It usually begins with 978 and is 13 digits long.
5. Once you type it in, click **Cite**.
6. On the next page, choose your book. Make sure it is the correct one (look at the book you have in front of you and compare the information). Click **Cite**.
7. On the next page see what additional info EasyBib needs. We only need the title, author, publisher and copyright year. Click **Continue**.
8. If your citation needs more information, find that info and type it in. When you are finished, click the orange **Complete Citation** at the bottom.
9. Your citation should be on the next page.
10. **Write it down on the worksheet EXACTLY as it is show on EasyBib.**
11. Show Mr. Marshall.

### TO CITE AN ONLINE ARTICLE

1. Go to **www.easybib.com**
2. Click **Create Citation**.
3. On the next page select **website** for what you are citing.
4. Copy and paste the website address in the box on Easybib.

5. Click the orange **Cite It** button.
6. On the next page EasyBib will ask you if this is the correct article. Check the website to make sure the title and author are the same and then click **Cite**.
7. On the next page see what additional info EasyBib needs. Find this information on the website. Click **Continue to the final step**.
8. Go back to your article to find the missing info. Enter it in EasyBib.
9. When you are finished, click the orange **Create Citation**.
10. Your citation should be on the next page.
11. Write it down on the worksheet.
- 12. Write it down on the worksheet EXACTLY as it is show on EasyBib.**
13. Show Mr. Marshall.
