for coverage under the other plan and again applies for coverage under HIPPA, which allows for a special enrollment period to maintain continuous coverage when insurance is lost. The years of spouse and dependent eligibility begin running upon the date the insurance terminates as a result of the educator retirement regardless of eligibility or membership in another health insurance plan.

6.1.2. The spouse and dependent coverage in 6.0 shall consist of the District designated group insurance policies. If the spouse and/or dependent becomes eligible to join Medicare, the insurance coverage for the dependent shall consist of the District's supplement to Medicare.

6.1.3. 6.2. Benefits of the early retirement incentive program provided by the District are independent of the Utah State Retirement System. Retirees should carefully consider the effect of early retirement as it relates to Social Security, State Retirement, Income Taxes, Medical and Life Insurance, etc.

- 6.3. Nothing in this policy should be construed to violate any rights an employee or dependent has under COBRA, ADEA or similar law.
- 6.4. All retirees will participate in a special pay plan until the agreement is terminated by mutual agreement of the ~~Alpine~~ **Aspen Peaks** School District and the professional association representing the majority of the teachers. If an individual purchases years of service from the State, this shall be paid without going through the special pay plan. An individual may elect to withhold funds from the special pay plan to be placed in a flexible spending account.
- 6.4.1. Calculations for the retirement incentive will be calculated once at the time of retirement. The total amount allowed by the IRS guidelines will be deposited at the time of the first retirement payment. Additional payments, if needed, will be in January of the following year.

- 6.4.2.1. The "A" fund will contain the current finances that are set aside for the supplement to MEDICARE. It will also contain the District's annual savings from the retirees participation in the special pay plan. The District may add additional funds as it deems necessary. These funds may be accessed to help fund in part any one or all of the following post retirement benefit costs:
- a. Six year post retirement medical benefit program,
 - b. Retirement stipend costs, or
 - c. Supplement to MEDICARE costs.
- 6.4.2.2. The "B" fund will contain the finances currently set aside to fund a return to self-insured medical plan, should that become a viable option in the future. These funds may be accessed for that purpose if necessary. Interest will accrue on these funds. It is intended that the necessity of continuing

these funds be reviewed, by the negotiations teams, at least every five (5) years.

7. ONCE SUBMITTED, RETIREMENT FORMS MAY NOT BE RESCINDED

- 7.1. An approved leave of absence will not constitute a break in service if the educator returned immediately following the leave.
- 7.2. **Currently, this means to retire with thirty (30) qualifying years of service at any age.
- 7.3. ***The word "another" refers to insurance coverage other than that provided by ~~Alpine~~ Aspen Peaks School District so long as the district's insurance carrier continues to require only a single premium payment on the spouse with the later birthday when dual insurance coverage exists, i.e. both spouses are employed by ~~Alpine~~ Aspen Peaks School District.
- 7.4. **** Any changes made to the retirement benefits in current policy that would affect current employees eligible for the benefits, the District will open a thirty (30) day retirement declaration window the year prior to the policy changes going into effect.
