

Sometimes I am interested in something that someone has, or is wearing

People wear some nice and interesting things.

But, I cannot touch things that people wear on their bodies.

I cannot enter someone else's personal space.

If I feel like I want to touch something some is wearing or something they are holding I can:

Ask for a sponge or a ball to squeeze

Ask to go for a walk

Take a deep breath

Adults are proud when I respect personal space.

I am proud when I respect personal space.
