

# Privacy Policy

**Last Updated: June 10, 2025**

Your privacy is important to us, and we are committed to protecting your personal information. This Privacy Policy explains how we collect, use, disclose, and safeguard your data when you use our applications ("Apps"). By using our Apps, you agree to the terms outlined in this Privacy Policy.

## 1. Information We Collect

- **Personal Information**

Our Apps do not collect any personal information such as your name, address, email address, or phone number.

- **Usage Data**

We may automatically collect certain information when you use our Apps. This includes your device's unique identifier, IP address, operating system, and usage patterns. We use this data to help improve the performance and user experience of our Apps.

- **Crash Data**

If a crash or error occurs while using our Apps, we may collect information about the incident, such as the time it occurred and the actions that led up to it. This data is used solely for diagnostics and troubleshooting to enhance the stability of our Apps.

## 2. How We Use Collected Information

- **App Performance Improvement**

The information we collect is used to analyze how our Apps are used, identify areas for improvement, and enhance the overall user experience.

- **Customer Support**

If you contact our support team with questions or issues, we may use the information you provide to assist you and resolve your concerns.

### **3. Sharing of Information**

- **Third-Party Service Providers**

We may work with third-party service providers to analyze usage data and improve our Apps. These providers are required to handle your information securely and keep it confidential.

- **AI Features (Applicable to Certain Apps)**

Some of our Apps may include AI-powered features. When you use such features, the text you voluntarily enter may be transmitted to a third-party AI service provider for the purpose of generating responses.

Only the text you manually submit and necessary context are transmitted. We do not attach account identifiers to these requests. Any history is stored locally on your device unless otherwise stated in the specific app.

Data is transmitted only when you actively send a request within the app.

- **Legal Requirements**

We may disclose your information if required by law or in response to valid legal requests such as subpoenas or court orders.

### **4. Data Retention Policy**

We retain usage and crash data only for as long as necessary to fulfill the purposes described in this Privacy Policy, unless a longer retention period is required or permitted by law.

### **5. Data Security Measures**

We take reasonable steps to protect your information from unauthorized access, alteration, disclosure, or destruction. However, please note that no method of internet transmission or electronic storage is completely secure, and we cannot guarantee absolute security.

## **6. Children's Privacy Protection**

Our Apps are not intended for children under the age of 13, and we do not knowingly collect personal information from anyone in this age group. If you are a parent or guardian and believe your child has provided us with personal information, please contact us so we can delete it from our systems.

## **7. Updates to This Policy**

We reserve the right to update or modify this Privacy Policy at any time. Changes will take effect immediately upon posting the updated policy on our website. We encourage you to review this Privacy Policy regularly to stay informed of any updates.

## **8. Contact Information**

If you have any questions or concerns about this Privacy Policy or how we handle your data, please contact us at: [help.razaali@gmail.com](mailto:help.razaali@gmail.com)

## **Conclusion**

By using our Apps, you confirm that you have read and understood this Privacy Policy. If you do not agree with its terms, please do not use our Apps.
