

## Google Keep

<b>Link to the Resource</b>	<a href="https://keep.google.com/">https://keep.google.com/</a> (only works if you log into your Google account)
<b>Description</b>	“Google Keep is an organizational tool for capturing, storing, and referencing info on the fly. Users can add a note by typing or recording their voice, and a speech-to-text feature automatically transcribes the text. Users can also create to-do lists and add images, either by taking a photo with the device's camera or by adding an image stored on the device” <a href="#">CommonSense Education</a> .
<b>Primary Transferable Skill(s)</b>	Self-direction
<b>Grade Level(s)</b>	6-8 9-12
<b>Tutorial(s)</b>	<a href="https://www.youtube.com/watch?v=QU0FEOhzikM">https://www.youtube.com/watch?v=QU0FEOhzikM</a> From Ditch That Textbook: <a href="#">classroom applications</a>
<b>Sample Projects, Rubrics, Videos, etc.</b>	
<b>Cost</b>	free
<b>Operating System and Browser Note(s)</b>
