On the Residency page, indicate whether or not you've lived in California for more than a year and a

day or meet other residency conditions.

The screenshot shows the Cañada College website header with the college logo and navigation links: "Welcome Marsha Mellow", "Sign Out", "My Applications", and "Help". On the left is a sidebar menu with "Introduction", "Enrollment Information" (marked with a green check), and "Account/Mailing Information" (marked with a green check). The main content area is titled "Residency" and includes a "Cambiar A Español" button. Below the title is a section for "California Residence" with two radio buttons: "Yes" (selected) and "No". To the right of the radio buttons is the question: "Have you lived in California continuously since 06/15/2012?". A yellow arrow points from the top left towards the "California Residence" section.

### Student Residency Categories

Residency status is determined by the information provided by the student on the Application for Admissions. Students who do not meet residency requirements will be classified as non-residents for tuition purposes only. You are a resident if:

- You intend to make California home for other than temporary purposes.
- You have lived in California one year and one day prior to the start of the semester and meet eligibility requirements for establishing California residency.
- You have applied or received your immigrant status one year and a day prior to the start of the semester in addition to the above requirement.

For more information on Residency, please see the [college webpage](#).
