Subject- art handler cover letter

Dear

I would like to introduce myself as a candidate for the role of (Mention the job) at (organization name). As a (Mention the job post), I am confident in my abilities to create expressive and interesting pieces that meet your clientele's needs.

Based on my background and education, I believe I am qualified for the (job post) role. I have been making art since I was old enough to wield a pencil. I did everything from pencil sketches to pastel drawings to (Mention the name) inspired paintings.

I knew what I wanted to do with my life from a very young age. I took advanced placement art in high school and earned several medals. By the time I graduated from high school, I knew what I wanted to do with my life.

I studied art history, design, drawing, color theory, and painting at (college name). My work was chosen for various art events during college, including the (Mention the organization name), one of the largest on the (Mention the place).

My paintings included mermaids, people, yachts, beaches, monuments, flora, and many other subjects. Color is my favorite aspect to explore with. I enjoy seeing how a brightly coloured painting can brighten up any room.

The most rewarding aspect of being an artist is witnessing the client's expression when they see their completed order.

Thank you for taking the time to read my application. I am excited to learn more about (name the organization)and its clientele. I believe that the (job post)role will allow me to use my well-honed abilities to offer value to your organization.

Sincerely,

James Brown
