Question (asked by Ben): Would Andy Lannister be considered an employee or servant of the CHCC? On lines 34-35 of Andy's affidavit, it says that when Andy wasn't giving lessons, Jonah and Andy would hang out. I'm specifically asking this question because in the must haves, Q3 has all the employees being Buzzy Mcbat, Parker Posey, and/or Sam Swimplebun, which doesn't include Andi.

Answer (answered by Attorney Peterson): I think technically yes, Andy Lannister is an employee/servant of the club. But there is no allegation of negligence in the Complaint based on actions of Andy, and the verdict form does not ask about any actions of Andy.
