## 1. Permissions Usage

### [Permission: WRITE\_EXTERNAL\_STORAGE]

Our app requests access to your device's storage solely to perform “convert into different formats and find image insights. We do not access or modify any personal files, and your data remains within the app's scope.

### [Permission: INTERNET]

Internet access is required to “check if only the user is connected to the internet or not”. This process does not involve collecting personal information.

### [Permission: CAMERA]

We request access to your device's camera exclusively for “direct take picture and conversion” The camera is utilized within the app only and does not involve storage or external sharing of media.

## 2. Information Handling

We want to emphasize that we do not store, collect, or utilize any personal information obtained from these permissions. Your privacy and data security are paramount to us.

## 3. Data Sharing

We want to assure you that your privacy is a top priority for us. When you upload images using our app, they are securely transmitted to our server solely for the purpose of processing and converting them into a specific format. Once the conversion process is complete, the image is immediately deleted from our server. We do not store, retain, or share any images or data obtained through this process with third parties. Your images are used exclusively for the conversion and are not utilized for any other purposes.

Your trust in our app is important to us, and we are committed to safeguarding your data throughout the processing journey.

#### **4. Security Measures**

We take the security of your data seriously. We implement industry-standard security measures to prevent unauthorized access, modification, or disclosure of any data obtained through app permissions.

#### **5. User Choices**

You have full control over app permissions through your device settings.

#### **6. Privacy Policy Updates**

We may update this Privacy Policy periodically. Changes will be posted on this page, and the "Last updated" date will be adjusted accordingly.
