## 1. Voting Activities

### High Participation:

*The delegate has actively participated in all votes during the reporting period, demonstrating a strong commitment to the Arbitrum DAO governance process.*

---

## 2. Delegates' Feedback Activities

### General Feedback & Recommendations:

#### Regular but Improvisable Feedback:

*The delegate has been actively engaging in discussions but often with comments that lack substance, depth, or clear arguments. To maximize their impact, it is recommended to focus on delivering well-reasoned contributions that truly add value to the decision-making process.*

---

## Notes:

- Timing and Clarity & Communication scores are adjusted relative to Relevance, Depth of Analysis, and Impact on Decision-Making.
- Presence in Discussions serves as a multiplier rather than a standalone metric.
- The goal of this feedback is to encourage high-quality contributions that add value to Arbitrum DAO.

## Reporting Period: January 2025

---

### 1. Voting Activities

#### Participation Comments

The delegate has actively participated in all votes during the reporting period, demonstrating a strong commitment to the Arbitrum DAO governance process.

---

### 2. Delegates' Feedback Activities

#### General Feedback & Recommendations:

The delegate has provided a limited number of comments, and some of their contributions have been relevant although some analyses could benefit from greater depth and clarity in justifying their stance. Enhancing their approach could increase their impact.

---

#### Notes:

- Timing and Clarity & Communication scores are adjusted relative to Relevance, Depth of Analysis, and Impact on Decision-Making.

### 1. Voting Activities

## Participation Comments

The delegate has actively participated in all votes during the reporting period, demonstrating a strong commitment to the Arbitrum DAO governance process.

---

## 2. Delegates' Feedback Activities

### General Feedback & Recommendations:

Although the delegate has not participated extensively in discussions, their contributions have been insightful and relevant. Increasing the frequency of such high-quality engagement could further enhance their impact on governance.

---

### Notes:

- Timing and Clarity & Communication scores are adjusted relative to Relevance, Depth of Analysis, and Impact on Decision-Making.

# DIP V1.51a January Delegate Feedback Report: Alex Lumley

**Reporting Period: January 2025**

---

## 1. Voting Activities

### Participation Comments

*The delegate has actively participated in all votes during the reporting period, demonstrating a strong commitment to the Arbitrum DAO governance process.*

---

## 2. Delegates' Feedback Activities

### General Feedback & Recommendations:

The delegate has not actively contributed to discussions, making it difficult to assess their stance on key proposals. While participation alone does not determine impact, engaging in meaningful discussions could help strengthen their role in the governance process.

We understand the added value of Alex to Arbitrum DAO through the hosting and organisation of the DAO's Bi-weekly's Calls and the GRC, but those contributions are not in the scope of the DIP.

## 1. Voting Activities

### Participation Comments

- *The delegate has actively participated in all votes during the reporting period, but because of some specific situation some of the votes were counted as 'Invalid Choice'.*
- 

## 2. Delegates' Feedback Activities

### General Feedback & Recommendations:

*The delegate has not actively contributed to discussions, making it difficult to assess their stance on key proposals. While participation alone does not determine impact, engaging in meaningful discussions could help strengthen their role in the governance process.*

---

### Notes:

- Timing and Clarity & Communication scores are adjusted relative to Relevance, Depth of Analysis, and Impact on Decision-Making.
- Presence in Discussions serves as a multiplier rather than a standalone metric.
