

# Math Carnival 2025

## Overview

**Cost:** Will be determined based on the number of schools that participate.

### **Procedures & NEW Items:**

- VERY IMPORTANT REMINDER:** All students participating in the Problem Solving, Design & Build, and Rubik's Cube competitions **MUST have NAME TAGS that include: Name, School, Grade Band/Level, & Competition(s)** in which the student is participating.
- Games or Sessions may be available for students during down times in the competition. Locations will be announced at the opening session.
- No one will be allowed in the competition buildings during competition.
- Only competitors and officials will be allowed in the competition rooms or competition buildings (i.e., no parents or teachers).
- If there is a tie in the Problem Solving Competition, each team will receive awards for the place in question.
- To make things very clear, if there is a tie in a competition, there could be **NO 3<sup>rd</sup> or 4<sup>th</sup> Place** given in that particular competition.

### **Team & Project Information:**

- 3<sup>rd</sup>-8<sup>th</sup> grade can participate in the Math Carnival
- Design & Build Teams will consist of 4 students per **grade band**
- Problem Solving Teams will consist of 4 students per grade level
- Rubik's Cube Team will consist of 4 students from grades 3<sup>rd</sup>-8<sup>th</sup> **(One team)**
- Students from a lower grade level can move to a higher grade level to compete, but not vice versa.**

### **Grade Bands defined:**

**3rd-4th Grade: Consists of two- 3rd Graders & two 4th Graders**

**5th-6th Grade: Consists of two- 5th Graders & two 6th Graders**

**7th-8th Grade: Consists of two- 7th Graders & two 8th Graders**
