Recruiting Context

On-Campus

- TalentLink
- Resumes - Cover Letters
- Career Guide
- Careers
- Career Services
- Recruiting is very heavy on fall semester side (both internship and full-time interviews are predominantly done in late September/early October)
- GBCC hosts many information sessions throughout the semester

How to Stand out in the Recruiting Process?

- Meet with employers and recruiters through on campus events such as the Corporate Reception, Info sessions, recruiter office hours, and student org presentations.
- Speak with recent alumni to learn about job responsibilities, their organization and the industry
- Show knowledge and preference for service line
