

Carbondale Community School Bus Stop Survey

Please note:

- Our bus will pick up students who reside within the Carbondale city limits. Arrangements may be made for those living on Hwy 133 between Marble and Carbondale to ride the RE-1 school bus to CMS, and then be picked up by our bus from there.
- Our bus driver cannot pick up children on corners, only in the middle of the block. Because of the number of students we bus to school, we cannot pick-up your children at their front door.
- Enclosed is a tentative bus schedule for the first week of school, after which we will collect the surveys and issue a new schedule.
- Please call the school if you have questions.

Name of student(s): _____

Street address: _____
