KSU QuarkNet Cosmic Ray Storm/Pressure Group Meeting

Date: 13 September 2023

Zoom Link:

<https://notredame.zoom.us/j/95128055342?pwd=SEw2TU9RY25mNi9OSGhPbnhxY0lNdz09>

Agenda (times are rough estimates):

- 3:45 - Zoom opens, discussion and roll call / attendance
 - Jim, Shane, Amy H, Penny, Renee
- 3:50 - Announcements from Shane, Mark, Bharat, etc.
- 4:00 - Individual reports from CRMD operators -- operational status, current configuration.
 - Amy Hageman (MHK)
 - Needs help on computers -- main computer and a RasPi, both abandoned by graduating senior who was on the project. (Shane -- travel/stipend money available)
 - Unassembled and not currently working. 'On Standby'
 - Jim --
 - Assembled, taking data, wouldn't trust it yet.
 - Running on three paddles.
 - Renee
 - Assembled, but not up and running.
 - Penny
 - Assembled, taking data.
 - Shane -- On 'Standby'
- 4:10 - Intro to QuarkNet for the new teachers
 - SKIPPED -- no new teachers here
- 4:15 - Intro to Cosmic Ray Detectors for the new teachers
 - SKIPPED -- no new teachers here
- 4:20 - Discussion of CRMD or project problems/concerns
 - Shane -- Cosmic e-lab site, are the drivers and other things up to date?
 - Shane and I will look into this -- shane will ask Mark
 - Possible shift of time or day of week -- Dave Besson can't do 3:30-4:30 due to a class.
 - Mondays? Check with DB on class.
 - Check on spring semester
 - Dave Besson -- info to Shane (given today) -- added to list of teachers at KU.
 - 4th Wednesday Activity -- Try doing that later, not start this month. Come up with ideas for activities to have CRMD teachers do.
- 4:30 - Adjourn
