Redeemers of Faith Quartet Announces New Album, *Seasons of Change*

Four-part harmony, heartfelt testimony, and a message of faith come together in the quartet's newest musical chapter

Ware Shoals, SC, July, 30th 2026, The **Redeemers of Faith Quartet** is proud to announce the upcoming release of its newest album, *Seasons of Change*, a powerful collection of Gospel songs that reflects the journey, growth, challenges, and blessings that come with life and ministry.

For more than three decades, the Redeemers of Faith Quartet has shared the message of Jesus Christ through Gospel music, bringing traditional quartet harmony together with a fresh and meaningful sound. *Seasons of Change* represents another important chapter in that journey.

The album's title track, "**Seasons of Change**," was written by Marty and serves as the heart of the project. The song reflects on the changing seasons of life while reminding listeners that although circumstances may change, **God remains faithful through every season.**

"Life is filled with seasons," says Marty of the Redeemers of Faith Quartet. "There are times of celebration, times of uncertainty, times when we feel like we're on top of the mountain, and times when we walk through the valley. Through every one of those seasons, God has been there. This album is a reflection of that journey and a testimony to His faithfulness."

Seasons of Change features the signature harmony and vocal arrangements that fans have come to expect from the Redeemers of Faith Quartet while introducing songs and musical moments that speak directly to today's listeners.

The project is more than simply a new album. It is a **testimony of where the quartet has been, where God has brought them, and where they believe He is leading them next.**

A New Season. A Timeless Message.

The Redeemers of Faith Quartet continues to build on a musical legacy that has included years of concerts, church services, conventions, recordings, and ministry opportunities throughout the Southeast and beyond.

With *Seasons of Change*, the group hopes listeners will find encouragement in every song and be reminded that whatever season they may be experiencing, they are never walking through it alone.

“We believe there is a song on this album for everyone,” Marty says. “Whether you're celebrating a blessing, facing a difficult season, remembering where God has brought you from, or simply needing encouragement, we pray this music speaks to your heart.”

Seasons of Change will be available through the Redeemers of Faith Quartet and select digital and physical music outlets.
