SMARTFUTURES.org

9-Adult Activity	Selecting Your Career Goal
Standard	CAREER AWARENESS AND PREPARATION
Badge Awarded/	Career Selection Influences.
★ I Statement	I have identified a career goal.
Time destina	
Time duration	60 minutes or more (This activity is a research project)
Objective	Research a career goal.
Overview	In this activity, students will examine the factors that are important to determine if a specific career is a good fit. A short video is shown about the importance of selecting a career goal while still in high school. The student will then complete a research project based on the chosen career goal.
Key Points	 Considering a few key factors is important before selecting a career goal. Having a career goal helps determine if the career will be a good
	fit.
Gathering Your Thoughts Question	Explain why you chose your career goal. Why is this a good career for you?
Final Output	Research Project
	Gathering your thoughts answer
