SL - What separates the rich from the rest...

Recently I had my 25th class reunion in my college.

I was very excited to go since I heard that another person from my class worked for the same Midwestern manufacturing company that I did.

But once he arrived, he had a much more expensive car than mine.

So I went and asked him how did he manage to afford that.

And he told me that he runs the company that I had worked for.

I was very surprised.

So we started talking and I went on to pick his brain for the rest of the night.

And at the end, I understood what separates the rich from the rest.

And the answer is simpler than I thought.

And I am writing this because I wanted to share this secret with you,

And I am sure that you will be surprised just as much as I was if not more.

So, if you want to find out what he told me then...
