### **Job Description:**

Saint Rocco's Treats will provide a commercial van and have all treats/supplies loaded into the van ready to be collected every Friday morning.

Supplies, Treats, and the Van/Truck will be in our kitchen:  
6026 Easton Road Pipersville, PA 18947

SRT's coordinator will pick up supplies Friday at 7 am.  
SRT management will have an "ideal route" mapped out weekly for the coordinator. You will simply input each address into your GPS provider of choice. The route document will include each supply recipient's name and phone number. The coordinator will ensure each recipient gets their correct treats package + SRTs event supplies and is notified that delivery was completed via text.  
Depending on the weekend schedule, your route will range from 8 to 14 stops. Your route will never exceed 8 hours of driving and/or drop-off time. You must unload the supplies at each location you deliver to. Each supply package includes a tent, table, cart, treat boxes, wooden crate, ikea bag with a wooden stand, an A-frame, and miscellaneous package pieces.
