19:38:52 From Monica Romano to Everyone:

When I was first learning to network, one of my mentors asked me about a time I've helped someone and how I felt afterward. [Good, obviously.] He then made the point: Why would I not give someone else the chance to feel that?

And better yet, we have an alumni group now of bootcamp grads. I think there are like 50-60 folks out there who have done this program. Joe and Elisa put it all out on the field to make sure you get what you need. I'm available too.

Insanely organized over here

19:49:54 From Susanna Schweickhardt to Everyone:  
very disorganized--hard to prioritize

19:49:54 From Liora to Everyone:  
Need Shane's email to connect

19:50:07 From Monica Romano to Everyone:  
Sooooo disorganized! Hunter is helping a little, but keeping track of new connections and when I was last in touch with them and on which platform is a mess.

19:53:12 From Susanna Schweickhardt to Everyone:  
What tool is that that notifies you when they DL your resume?

19:53:50 From Natasha to Everyone:  
How do you know if your online application or resume was used?

19:54:34 From Amanda Sanyal to Everyone:  
Linked in premium does

19:54:48 From Ann Mueller to Everyone:  
But is that only if you apply via LinkedIn?

19:54:53 From Natasha to Everyone:  
figures!

19:54:54 From Amanda Sanyal to Everyone:  
yes

19:54:59 From Himanshu Ajmera to Host and Panelists:  
If applied using easy apply, they send email about application being viewed.

19:55:21 From Pamela Kennedy to Host and Panelists:

LinkedIn does, but only with certain types of applications (if LI sends you offsite to apply, you won't get level of granularity)

19:55:22 From Ann Mueller to Everyone:

That seems like a buckshot method to apply for a job

19:55:34 From Monica Romano to Everyone:

Ooooohhh! That's a helpful reminder about going back to the application platform to view the application status.

19:55:51 From Jerry Franklin to Everyone:

Can't join the FB group -- FB banned me (wrongly -- I hardly ever posted about anything and only even logged on a few times a year), and once you're wrongly banned there's no mechanism to make it right. So I can't access your FB group. Any ideas?

19:56:39 From ALBERT QIAN to Everyone:

Can you create a new FB?

19:56:57 From ALBERT QIAN to Everyone:

We also do a lot of events too and those are promoted on Eventbrite

19:57:01 From Monica Romano to Everyone:

omg, jerry! I'm so sorry! That sucks!

19:57:54 From ALBERT QIAN to Everyone:

Eventually!

20:00:09 From Mea Tefka to Host and Panelists:

20:00:10 From Mitch Grabel to Everyone:

frustrated

20:00:13 From Lauren Lola to Everyone:

20:00:13 From Pamela Kennedy to Host and Panelists:

20:00:42 From Ann Mueller to Everyone:

Albert, how do you handle when an org specifically requests them?

20:00:50 From Krishnanand Srinivasan to Everyone:

it has slowed down a lot

20:01:01 From Hunter Casbeer to Everyone:

chatGPT for the win!

20:01:26 From Mea Tefka to Host and Panelists:

TY!

20:01:57 From ALBERT QIAN to Everyone:

@Ann - At that point, I write them. Or if it's too much, I pass.

20:01:57 From Monica Romano to Everyone:

I can't hang around for Q&A, but this was helpful! Some good reminders for things I haven't done in a while (or ever), a few new tips, and validation I'm doing the right things. Thanks for sharing so many great resources, too!

20:02:34 From Liora to Everyone:

Please list in the chat all those AI's just mentioned

20:02:41 From Marshall Bennett to Everyone:

I recommend the bootcamp. I did it a couple of months ago. Joe and Elisa have your back and will do what they can to help you with your search and prepare of interviews.

20:02:53 From Krishnanand Srinivasan to Everyone:

ChatGPT, Bard

20:03:51 From tammy gately to Everyone:

The bootcamp is incredibly helpful and useful especially if the job search feels disheveled. It's not only sharing with a group of people that are going through the same experiences and job woes, the support is invaluable!

20:04:07 From tammy gately to Everyone:

As well as the real time info and resources that are shared with us.

20:04:21 From Theresa Strickland to Everyone:
