

Fall 2026 Dual Enrollment Instructions

New to Dual Enrollment? Start at Step 1.

*If you participated in Spring 2026 Dual Enrollment or Academic Enrichment classes, start at Step 3.

Steps to Get Started

1. [Apply to Sierra College](#)

- Be sure to select the correct term when applying
- Video help (0:00 – 1:25): [How to Complete the Sierra College Application for Dual Enrollment](#)

2. **Activate or update your** mySierra account

- Help Center Article – [How to access mySierra](#)

3. **Click this link to access the** [Dual Enrollment e-form](#)

- Use your mySierra name and password to log in and complete the student section of the form
- Video help (1:46 – 2:12): [Select and submit your Dual Enrollment classes](#)

What happens next?

If this is your first time in a DE class, an email will be sent to your parent/guardian to sign. All forms are routed to the high school for final approval then routed to Sierra College staff for processing and we will register you in the class(es). You can check your mySierra account to confirm registration.

*Once your high school approves, you will be registered within 3 business days (unless there are errors). Sierra staff will contact your HS counselor if there are errors that need to be addressed. Otherwise, if you have completed all steps and are not registered in your class within 3 days, let your counselor know or contact outreach@sierracollege.edu.

Help and support:

- Outreach hosts bi-weekly drop-in [Getting Started zoom sessions](#) for help with all steps
- Ask your school to connect you with your Sierra College Enrollment Specialist for additional support
