## Permission Form Alternative Transportation of Student

Bonny Eagle High School (BEHS) and MSAD #6 (District) provides transportation to and from extra-curricular activities. Students are expected to ride to and from extra-curricular activities with their team/group and coach/advisor unless this form is signed by the student's parent/guardian and submitted to the BEHS Administrator 24 hours in advance of the event. The District will permit students to take alternative transportation only when this Permission Form is completed and approved by a BEHS administrator 24 hours prior to the date of the event.

If this authorization is signed and approved, the student will be released from District supervision at the conclusion of the event. The District does not and cannot take responsibility for ensuring that the student rides in the particular vehicle authorized by the parent(s). Accordingly, parent(s)/guardian(s) take full responsibility to ensure that their sons or daughters in fact ride home with the person(s) whom they have authorized and that the alternative transportation is safe and appropriate.
