Dear Donna,

We at Monadnock Security System, Inc. of Mason, NH would like to help in providing some financial assistant, through the means of a \$1,500 scholarship, to a 2025 graduate from Mascenic High School. We would like this scholarship to be used for a student enrolled in a technical trade school. We would also like this to be a 2nd semester award, contingent on a "C" or better grade average from the first semester.

I or one of our senior staff members would like the option to present this award if we are available at the time.

Sincerely,

A handwritten signature in blue ink, appearing to read "R M Smith", is positioned above the typed name.
