

Beginner Jazz with Amy

Jazz tights (tan) can be purchased through Sara/the online parent portal! The tights we use are footed!

Similarly, tan jazz shoes can be purchased the same way and are the same color as the tights! I believe most if not all of the girls already have the correct shoes.

Hair should be in a simple high ponytail with no part in the hair! If there is a hairpiece, it will go on the right side of the head or around the ponytail.

Makeup should be regular stage makeup (neutral eye shadow and red lipstick just like for comps!).

Please reach out to me at amy.raymond@maine.edu if you have any other questions!
