

Nos Tech develops android applications, these apps are ad supported and free to use. These android apps are provided by Nos Tech developers and intended for use as is.

This page gives information to users with our policies with the use, and disclosure of Personal Information if anyone decided to use our Applications.

If you choose to use our Applications, then you agree to the use of information in relation with this policy for our application. The Personal Information that we collect are used for providing and improving the Applications. We will not use or share your information with anyone except as described in this Privacy Policy.

The terms used in this Privacy Policy have the same meanings as in our Terms and Conditions, which is accessible at Nos Tech, unless otherwise defined in this Privacy Policy.

Information Collection and Use

For a best experience while using Nos Tech Apps, we may need you to provide us with certain personally information, e.g. users name, address, location, pictures. The information that we request is stored on your device and is not collected by Nos Tech us.

The apps do use third party services that may collect information used to identify you.

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service with ease and access;
- To provide and check the service on our side;
- To inform and assist how our Service is used.

Security

We take care and make value for providing us your personal information, we strive to take care of your personal information, but remember no storage is foremost secure, and we can thus guarantee for its supreme security
