

Note: Is message ko proper read kar ke sath sath follow karen. Is mein **2 steps** bataye gaye hain:

1. LMS Account Setup
2. VU Mail Setup

In dono ko 1 by 1 proceed karen. Aap ne isy **PC ya Laptop** mein try karna hai.

1st Step: LMS Account Setup

- **ID & Password:** Admission ke baad, aapko university se ek email milegi jisme aapka **LMS ID, VU Email**, aur combined password hoga.
- **Open LMS:** Virtual University **LMS portal** par jayein: <https://vulms.vu.edu.pk/>
- **Login:** Email mein diye gaye **Student ID aur Password** ka istemal kar ke login karain.
- **Change Password:** Pehli dafa login karne ke baad, apna password zaroor badlein. Change Password option par click karain.
 - Old password (jo university ne bheja) likh dein.
 - New password aur confirm password likh dein.
 - Agar sahi likha to message "Your password has been changed" ayega.
 - Agar error aye to check kar ke phir se try karain.
- **Note:** Password change karne ke baad logout kar ke **new password** se dobara login karain.

How to Create a Strong Password:

- Uppercase letters (A-Z)
- Lowercase letters (a-z)
- Numbers (0-9)
- Special characters (e.g., !, @, #, \$, etc.)
