

Join SWLREDA at UBarU for the 2026 LREDA Fall Con

Nov 11 - 15, 2026

SWLREDA is gathering as a HUB at UBarU for this year's Fall Con and we have space for others to join! We would love YOU to gather with us. UBarU is a UU Camp and Conference space in the beautiful Texas Hill Country. SWLREDA is excited to gather in a place we are proud to support and that also supports Religious Professionals. Learn more about [UBarU on their website](#) and by seeing some of the [pictures here on this slide show](#).

UBarU is also a Designated International Dark Sky Park meaning there is a lot of intentional work gone into protecting the night skies from light pollution. UBarU is specifically protected so that the we can enjoy, study, and appreciate clear, starry nights and natural nocturnal habitats in the Hill Country. We will have a Star Party!

Travel: U Bar U is located in Mountain Home, Texas and approximately 1.25 hours from San Antonio airport and approximately 2.5 hours from Austin airport (prices to fly into the airports differ). It is located just north of I-10 and in the beautiful Texas Hill Country.

Those driving, please consider picking up people from the airport and [Allison](#) will help with transportation arranging after people reserve their spot for UBarU.

U Bar U is open to arrive on Tuesday if you're interested. Enjoy some down time and settle in before Wednesday afternoon opportunities- just cost a little more. You will make note of this on the [form](#) to sign-up.

UBarU info:

- able to serve yummy food for all the various needs to keep our bodies fueled!
- fire circle we can use - as long as no burn ban.
- s'mores stuff for us (roasting forks, vegan and GF options as well).
- Will host a *star party* for us!

Accommodations: *first come ~ first served*

As of August 12th here are remaining options:

- 1 private space available, can be 2 if people want to double up and not use top bunk
 - Private Rooms in DMBC have a queen bed and a TwinXL bunk bed
- Ranch House (RH) has a king, a double and a TwinXL bunk that share a room and a single bathroom.
- Sojourner (SJ) has a queen bedroom, and a standard (double) bedroom and 1 bathroom.
- There are 4 or 5 bunk beds in each of the suites along with 2 private rooms and 1 bathroom with more bathrooms in the breezeway.

- There are sites for RVs and for tent camping as well (cost not listed below, email southwest@lreda.org for info)
