

Spotlight on Teachers and Staff

Deborah Hutchinson

Daniel Warren, Secretary to Principal

How did you become involved in working at a school? Office work piqued my interest because, believe it or not, I took secretarial classes in high school always with the intention of working as a secretary one day. I began my career as an office secretary for a baking company (Wonder Bread) in their corporate offices. I waited until my children were old enough to attend school before volunteering my assistance at the Rye Neck schools. Four generations of Hutchinsons have passed through the doors of Rye Neck. After working as a lunch monitor and an office assistant, I was promoted to Secretary to the Principal in 2002. I have loved every moment working at Daniel Warren.

What is your favorite memory from when you were in school? Although I cannot recall a favorite memory, my favorite class was Home Economics where we learned the proper techniques for cooking/baking, making clothes from the ground up using a pattern, etc. Even now when I bake for the holidays, I still use those recipes.

What is your favorite part of your job, and why? My favorite part of my job is seeing all the little smiling faces, their genuine wonder when they learn new things and watching them grow each year. I love that I am able to give our littlest students and families the best early school experience.

What do you like doing when you're not at work? When not at work, I spend my time with my husband and our dog Taz. Being a "Nana" and spending time with our 4 grandchildren (with # 5 arriving in October) keep us busy and fill our days with lots of love and laughter. I enjoy beautiful scenic motorcycle rides in the nice weather with my husband. We visit Maine a couple times a year to visit our daughter and her family. I love relaxing on our porch on a sunny summer day!
