

Silk Hope Ruritan Club

Vendor Check-in and Vendor Setup

Vendor check-in at the Registration Building and setup begin on Friday, September 4, 2026. If possible, we ask vendors to arrive that day to begin setup. This gives you time to set up your vendor spaces (tent, tables, product). Security will be on-site from Friday through Sunday. Our goal is to make Saturday morning easier by allowing time to complete product displays, avoid vendor traffic back-up and move vehicles to designated off-site parking areas. Please note that vendor sites are located on one-way traffic lanes. Registering or setting up on Saturday morning will likely require waiting in line to reach your site.

All vehicle traffic for product display or restocking must stop by 8:30 a.m. on both Saturday and Sunday. Please consider storage options at your site for restocking needs. We kindly ask that you stay open until 5 p.m. on Saturday.

Thank you, for your participation, in the Silk Hope Ruritan Old Fashioned Farmer's Day Event.
