Employee Recommendation from Taalim Online Ltd

To whom it may concern,

I hereby confirm that Hiat Hasan (ID. 322780412) has worked as a freelancer in our company since
October 2021 until May 2022.

Our company has a digital course for learning English for the Arab society called "Tahdduth" (to speak).

Hayat worked for us even before the company was established. She worked for the companies that own our company starting in May 2021 and when the company was established in October 2021 she started working
for the company.

I am the CEO of the company and Hiat worked directly in with me, Hiat is an outstanding employee and I am not exaggerating even a little. Throughout the work period, she worked in a variety of company departments: product development, Marketing and customer service. Hiat's contribution was very great.

,Best regards
