

9-Adult Activity	Experiencing Careers While Still in School
Standard	CAREER AWARENESS AND PREPARATION
Badge Awarded  I Statement	Local Career Preparation Opportunities   I have identified things I've done or can do now that can prepare me for career success.
Time duration	30 - 60 minutes
Objective	Identify workplace opportunities that you can take advantage of while still in school.
Overview	In this activity, students view a presentation on the advantages of working while still in school. The presentation includes the many types of workplace experiences that you can have while in school and a video ("Workplace Experience Guide"). A short quiz is given to test the student's learning. Finally, the student is prompted to enter three personal work-related experiences.
Key Points	<ul style="list-style-type: none"> • Workplace experience while at school provide many benefits. • Your first job can make a lasting impression. • There is a broad range of workplace experiences.
Gathering Your Thoughts Question	Thinking about your current career goals, describe what you are going to do to get additional work experiences that will help to prepare you for future career success?
Final Output	List of 3 work-related experiences including what your tasks were and what you learned. Gathering your thoughts answer.
