About our Preschool Program

Live Oak Waldorf Preschool provides a loving, play-centered program designed to meet the developmental needs of young children in a warm, home-like setting.

The day begins at 8:15 am when we welcome parents, caregivers, and children in. The day closes after lunch at 12:45 pm. If needed, we offer afternoon care from 12:45 – 5:00 pm through our Continuing Care Program. If you need this for your child, please contact the Front Office at 530-878-8720.

The preschool is a peaceful, uncluttered environment filled with simple, natural playthings: smooth river stones, driftwood, moss-covered bark, tree stumps, and oak, birch, and cherry logs. Brightly colored playcloths, movable play stands, soft cloth dolls, big pillows, and a play kitchen provide many happy hours of creative play.

Domestic life serves as the background to allow children a smooth transition from home life into our preschool daily rhythm. Daily activities will include circle time, artistic activities, creative play indoors and outside, snack time, storytime, and lunchtime.

In a gently structured way, children are given the opportunity to paint, draw, bake, cook, garden, and contribute to the daily domestic chores throughout the week. Through the course of the year, we celebrate the changing seasons together with songs, games, and seasonal activities.

We provide a sense of security and reverence for nature by guiding these daily, weekly, and seasonal rhythms and celebrations.

For more information and/or a tour, please contact the Admissions and Enrollment Coordinator, Arielle Engstrom, at 530-878-8720, or email directly at admissions@liveoakwaldorf.org.
