PRACTICAL ISSUES (APPLICATION – PART 2)

You only need to fill out this form once, even if you are applying for several projects.

Do you have any significant health problems that would affect your participation in the voluntary project? Volunteers have a personal responsibility to ensure that they are in good health, fit for travel, and have received all vaccinations appropriate for their destination.	
Do you take any regular medication?	
What is your blood-group (in case you know it)**?** This information may be useful in case of emergencies	
SCI Germany would like to use pictures and videos that are taken during the programme for our Public Relations work (Website, Annual report etc.). **Do you agree that photographs and videos in which you appear, may be used and published by SCI?**	
It is important that you read attentively the introduction to our LTV program 2025-26 (page 1-6) before applying. **Please confirm that you have read and understood all information given in this introduction.**	
Do you agree that SCI saves and uses the data that you have given in your full application? SCI will treat your data responsibly and confidentially, and will only use it for necessary administrative steps in organizing your voluntary service (e.g. communication with the funding giver, communication with the German Embassy in your country, communication with your project, communication with German authorities that are involved in given residence permits for international volunteers etc.).	

SCI expects the volunteer to participate in the whole program, orientation and evaluations included.
We expect you to write a report after 3, 6, 9, 14 months and an extended evaluation of your experience with the exchange program at the end of your voluntary service.
I have read and understood the information given to me, and the information that I have given is true and correct.
