

Teacher Welcome for 2025-2026

Teacher Name: Mr. Nic Peters

Email: npeters@kimberly.k12.wi.us

Room Number: 2044

Department: Health/Leadership/Volunteers

Hello to all KHS students and families. My name is Nic Peters and I am very excited to be in my fifteenth year of teaching at Kimberly High School. After finishing high school here in Kimberly, I attended UW Oshkosh where I earned a Bachelor's degree in Physical Education and Health Education. I have also been coaching football at KHS. Outside of school I enjoy hunting, fishing, playing/watching sports and being with family, especially my wife and two children.

I will be involved with the Health, Leadership and Volunteers courses. I am eager to teach these important content areas to your sons and daughters. I hope to use these courses as a way to improve the quality of student life both now and in the future.

Please bring the following supplies for class:

Health: Pencil, notebook, folder, chromebook

Leadership: Pencil, notebook, folder, chromebook

Volunteers: Pencil, notebook, folder, chromebook
