

FRIDAYS FOR FUTURE INDIA

COVID 19 RESOURCES

MAHARASHTRA

(MUMBAI,PUNE, NAGPUR,NASHIK)

This document primarily includes a list of verified contacts, websites and organizations to access hospital beds, covid medication, plasma donors, oxygen cylinders and meal deliveries in various cities.

We've also added other documents of collated data.

LAST UPDATE: 02-05-21 20:00

DISCLAIMER: Although we called all of them and verified it, what works yesterday may not work today or tomorrow. Everyone is running out of stock, capacity and resources so if you find numbers that are switched off/busy/ or not picking up, move on to the next one. We will routinely call and remove the ones that aren't working and replace it with numbers that work.

We hope this helps
