Questions for further study and reflection on reverse

BIBLE STUDY & REFLECTION

These questions reflect content from the sermon and are designed to help you study God's word, meditate on God's word, and apply God's word to your own life.

Getting Started

1. List 1-2 truths from the message that stuck out to you?

Into the Bible

2. **Read 1 Peter 4:7-11.** What does this passage convey about the heart behind our use of spiritual gifts, and why we ought to use our spiritual gifts?

Digging Deeper

3. How can someone discern the difference between selfish ambition vs. genuine desire to confidently use their gift?

4. What would you tell someone who gets frustrated with others in the body who have a different perspective because of their gifting? For example, 1 person may want to be merciful and give more chances to a person going through struggles, while another may want to enact church discipline immediate. How we work together towards a biblical, unified outcome?

5. Explain the difference between obeying commands in Scripture (serving, giving, showing hospitality, mercy) and uniquely using a spiritual gift.

Application

6. Pray for the unity of Shepherd's House, and that we would be a balanced body, using our gifts together.
