

Upper School Distance Learning Program

- All students in the school will have a required check-in every morning at 9:15 am. During this time, BPC faculty will review the upcoming day, make announcements, and answer questions.
- At 9:30 am, 11:00 am, 1:30 pm, and 3:00 pm, all students will have online classes with teachers. These classes are not simply a transfer of live classroom lessons to the virtual world. How the time is spent will vary, but participation in the classes is required as they are a critical part of the learning plan.
- There are hour-long periods after each class for students to complete work individually, in online chat groups, and with teachers. Many students will be able to complete assignments during this work time. This will also be an important time for students to move their bodies, get fresh air, and grab snacks.
- All grades will have advisory periods three times a week to connect and close out the school day.
- Fridays are flexible work days with the required community time that will be used to provide differentiation and support for students. We will also have Town Hall every Friday.
- Lunch times are open so that students can choose to unplug, spend time with family, or participate in virtual BPC club meetings.

6th Grade	Monday	Tuesday	Wednesday	Thursday	Friday
Homeroom 9:15-9:30	Homeroom check-in	Homeroom check-in	Homeroom check-in	Homeroom check-in	Homeroom check-in
