Sun Prairie Area School District
SUMMER SCHOOL

WELCOME

Our district is pleased to offer students who are currently in grades 9-12 in the 2022-23 school year a variety of summer learning opportunities. Options include Credit Recovery, Initial Credit classes, and Enrichment classes.

Credit Recovery and Initial Credit Classes:

Students can only register for either **Credit Recovery** OR **ONE Initial Credit Class**
Students may register for enrichment classes in addition to their initial or credit recovery class
All initial credit and credit recovery classes will be in-person

Dates & Time:
June 20th - July 20th, 2023, 8:05 am -12:45 pm
Monday - Thursday
No school June 19 & July 3rd and 4th

Location:
Sun Prairie East High School
888 Grove Street

Transportation:
Transportation is available for students who qualify and selected *SUMMER SCHOOL TRANSPORTATION* during the course registration process. The deadline to request busing is **May 16th, 2023**.

Nutrition:
Breakfast and lunch will be offered

Attendance :

Courses for Initial Credit: This five week summer opportunity will be equal to a full semester of class. Due to the compressed five week time frame for instruction, it is necessary for students to attend all classes. If a student misses any two days of class, the student may be dropped from the roster without a grade penalty. Once students are in classes, they should speak with the teacher about any extenuating circumstance that may impact one or two days of attendance.

Courses for Credit Recovery: Please alert the main office in advance of any absences.

Initial Credit Class Offerings:

Economics - .5 Credit

Current 10th-11th grade. No fee. In-person.

Students in Economics learn the operation of a market-oriented economic system. You will examine your role as a consumer, producer, and citizen. Students will discuss current events and how they relate to basic concepts. Topics include scarcity, resources, economic decision making, supply and demand, and global economic issues.

Health Education - .5 Credit

Current 9th-12th grade. No fee. In-person.

This is a Skill Based Health Course which allows students to practice health based skills through participatory approaches. The emphasis of this course is: Provide functional health knowledge that is basic, accurate and directly contributes to health-promoting decisions and behaviors. To build personal competence, social competence, and self-efficacy by addressing skills. Provide opportunities to reinforce skills and positive health behaviors .

Physical Education - .5 Credit

Current 9th-12th grade - No Fee. In-Person.

This course includes units from team and individual sports, strength and conditioning, and fitness. Students learn about their fitness levels and wellness. Students will also learn about teamwork and sportsmanship.

Credit Recovery - Credit Varies

Current 9th-12th grade. No fee. In-person.

Credit recovery allows students to redo coursework or retake a course required for high school graduation. Students should consult with their teachers and counselors to identify classes in which they need to earn credits. Students who work with Multilingual Learner teachers or Special Education teachers should consult with those teachers first.

Prairie Phoenix Academy - Personalized Learning

Summer Ceramics Fun!

Current 9th-11th Grade **$25 Fee**. In-person.
Dates: June 20th - July 20th, 2023 (Monday - Thursday)
Time: 8:00am - 1:00pm
Location: Sun Prairie East High School

Summer Ceramics is an enrichment class for students interested in creating 3D artwork using clay. This non-credit enrichment class is designed to be approachable to all levels of incoming students, whether this is your first or fourth high school ceramics class. We'll cover a variety of hand building techniques, sculpting, glazing, as well at wheel throwing practices. Students will practice the design process of researching, planning, creating, reflecting, and presenting in a studio classroom setting. This course will be an introduction or further development of techniques and conceptual design within the world of ceramics. Students will be challenged based on their ability level, making it an appropriate challenge within the range of our existing Ceramics 1-4 offerings. Students will be tasked with creating 3D artwork using a variety of techniques in both hand building as well as wheel throwing. The course curriculum would be designed around each student's prior knowledge as well as incoming ability level.

***Note**: This class runs the same dates, times, and location as initial credit and credit recovery classes; therefore, transportation and nutrition services will be available.

STATEMENT OF NONDISCRIMINATION

No student may be unlawfully discriminated against in any school programs, activities or in facilities usage because of the student's sex (gender identity, gender expressions, and non-conformity to gender role stereotypes), color, religion, profession, or demonstration of belief or non-belief, race, national origin (including limited English proficiency), ancestry, creed, pregnancy, marital or parental status, homelessness status, sexual orientation, age, or physical, mental, emotional or learning disability. Harassment is a form of discrimination and shall not be tolerated in the District. It is the responsibility of administrators, staff members and all students to ensure that student discrimination or harassment does not occur.
