ON MY OWN *from the musical "The Last Songbird"*

SONG - "All alone, in the fiery jungle.."

VERSE
It's not easy feeling lonesome
It's not easy feeling blue
When there's no one else around that looks like you

When you're cold and scared and helpless
And your troubles never end
When you're down, and weary, and you just can't find a friend

CHORUS-1
On my own, on my own
Not a soul around to guide me
Just the shadows to remind me I'm alone

On my own, on my own
Though I'm lost and scared and lonely
There's a path if I could only find the way

But the night is full of terrors
And it chills me to the bone
So I guess I'll have to make it on my own

BRIDGE
What I would give to have someone here beside me
What I would give for someone to call a friend
Up in the trees the birds are sleeping
Out in the fields, the fire is creeping
Trapped in a cage with no way to escape

CHORUS-2
On my own, on my own
Not a soul around to guide me
Still the shadows here remind me I'm alone

On my own, on my own
And it looks like we won't make it
And I don't think I can take it anymore

But the night is full of terrors
And it chills me to the bone

OUTRO
On my own, on my own
No one's here, no one cares, I'm alone
If I make it….
Then I'll make it on my own…….
