## Introduction:

Princess Profanity is gay is the most discussed in the media in the few years ago. Even it has happened in 2021, but some of the public still curious about what is exactly happening and to be the reason there is a rumor comes out about her gay. At that time she became the massive social networking rumor.

The public, especially her fans are shocked. She just came out with her bad rumor which is spread massively. This time is not about her music career, but her bad rumor. The rumor is out of standardize of hoax, according the last reported this singer revealed herself as bisexual. Do you still believe or not, this rumor is really much talked by people even in a person of her fans.

## Thesis:

Profanity smells like mustard.

## Evidence:

That girl smells like mustard (S. Cat 64, 1999).

## Reasoning:

If you smell like mustard you smell like mustard.
