Instructions:

1. Fold Summer Splash piece on score line to create card.
2. Using Memento Tuxedo Black ink (black ink), stamp flowers, gift bag, plant and cake in the middle of the 4" x 5 ¼" Basic White piece making sure you leave at least ¼" around the outside edge when die cutting. Color using blends markers (you do not need to color the bag – just the tissue) and die cut.
3. Using black ink, stamp gift bag on the Dots DSP piece. Fussy cut the bag (remove tissue) and cut inside the handle. Using Liquid Glue, attach the patterned bag to the Basic White bag.
4. Using black ink, stamp Happy birthday on the ¾" x 3" Pretty in Pink piece and die cut using the Stylist Shapes banner die.

5. Cut the Summer Splash Other Pattern piece using the 3" circle from the Stylish Shapes dies.
6. Attach the adhesive sheets to the back of the Silver Foil. Die cut both pieces of the shopping cart. Remove the backing from the top portion of the cart and attach the legs of the cart bottom and the plant, flowers and bag inside the cart. You do not remove the backing from the cart bottom.
7. Attach the 3 7/8" x 5 1/8" Pretty in Pink piece to the Basic White piece that you die cut in the center. Attach it then to the front of the card.
8. Attach the Striped DSP to the left side of the card and the Other Patterned Circle to the right side.
9. Attach the Cart and Banner to the front of the card using Dimensionals. (I used a strip cut from the edge of the Dimensionals to support the right side of the cart bottom.
10. Attach embellishments as desired.
11. Inside of Card: Using black ink, stamp Treat Yourself to the final Basic White piece. Attach the Striped DSP and Pretty in Pink strip to the bottom of the Basic White and attach to the inside of the card.
12. Attach the cake on the left side.
