COME ALIVE

(by Lauren Daigle)

Through our human eyes it seems there's so much we have lost
As-we look-down the-road where all the prodigals have walked
Those of us, who listened to, the whispered lies, were led to lifelessness

But we know with the fire of Love you're guiding with your light
We know there is more to come that we may not yet see
So with the hope you've given us we'll step into the valley unafraid, yeah

As we call out to dry bones - come alive, come alive
We call out to dead hearts - come alive, come alive
Up out of the ashes see hope, joy and freedom rise
We call out to dry bones, come alive

Source of love and mercy, source of everlasting peace
Saving those who've hit rock bottom embracing the least of these
And by your spirit breathe upon them showing them the way to your grace
Your amazing grace

As we call out to dry bones - come alive, come alive
We call out to dead hearts - come alive, come alive
Up out of the ashes see hope, joy and freedom rise
We call out to dry bones, come alive

So breathe, oh breath of Life
Now breathe, oh breath of Life
Breathe, oh breath of Life
Now breathe

So breathe, oh breath of Life
Now breathe, oh breath of Life
Breathe, oh breath of Life
Now breathe

As we call out to dry bones - come alive, come alive
We call out to dead hearts - come alive, come alive
Up out of the ashes see hope, joy and freedom rise
We call out to dry bones, come alive

Oh come alive
