 PARENTING TIPS 

 Assalamualaikum waRahmatullahi waBarakatuhu

Dear Mother's

 Tips of Points For Unspoken Desires Part # 4 

🎯If the child gets involved in any Islamically forbidden activity, then:

- ▲ Either the mother or father would have to discuss with him/her.
- ▲ When discussing with your child, keep in mind their age, school and home environment and temperament of the child.

 The parents have to be modest!

 Keep your children away from public areas. Also ensure the privacy of toilets.

 Parents must not make the child sleep with them in their bedroom.

 Parents need to be well aware of parental locks and use them where needed.

 Do not let the child dream of fantasies. Give them opportunities to think positive and productive:

- ▲ Keep the child busy in projects.

▲ Give your child healthy activities.

🏆 Parents must ensure their involvement with the children; and focus themselves toward their priorities.
