BOOOM!!! A MESSAGE FROM THE VICE PRESIDENT JOHN F. KENNEDY JR. – **TAKING BACK OUR NATION!**

Vice President John F. Kennedy Jr. delivers a powerful message about reclaiming America's freedom. **The time has come to restore our nation from the clutches of corruption and evil.** Decisive military action is underway, and the corrupt officials who've ruled above the law for decades will be brought to justice. We are at the brink of renewal, and the time to stand united is now.

My fellow Americans, over the next few days, you will witness the beginning of a new era. The mission is clear, the stakes are higher than ever, and freedom is on the line. Forces that have worked behind the scenes, eroding our rights and freedoms, are about to face justice. It's time to rise as one to reclaim the country that was stolen from us.

For too long, these evil tyrants have operated behind the veil, dismantling everything that makes America a beacon of hope and liberty. But their time is up. The corrupt elites, operating in shadows, have manipulated our laws and rigged our system, but no longer. This is the beginning of the end for them.

POTUS' Order and Fail-Safes have already been set in motion to protect the American people. Major actions are underway, starting with the arrests of key figures. The first domino to fall will be John Podesta, whose arrest is

imminent. This is just the tip of the iceberg. A corrupt network is being dismantled, piece by piece.

The public must prepare for a great awakening—a revelation of truths that will shatter everything you've been told. There will be resistance, public riots, organized chaos meant to distract and derail this revolution. But stay strong. These are merely the final gasps of a dying regime.

Military control will be necessary.

Special operations are already underway to neutralize threats, ensuring peace and safety while justice is served. Our military is taking decisive action, eliminating those who stand in the way of freedom.

The media, complicit in their lies, has been the mouthpiece for the corrupt elites. But the lies end now. The Emergency Broadcast System will soon be activated, providing direct communication to every American. No more fake news, no more distortions—you will hear the truth directly from the source.

Swift, decisive justice is coming for those who seek to undermine the safety and sovereignty of the United States. Our enemies—both foreign and domestic—are running out of time. The laws have been pre-lifted so that our military can act without restraint, taking down every last one of them.

We know the country is divided. Lies have divided us, but soon, the truth will bring us back together. Once the truth is unveiled, the American people will begin to see the lies for what they are. A new era is dawning—a time where truth and liberty prevail.

The storm is here. America is about to rise again, and those who tried to enslave us will fall. We will not be manipulated anymore. The time for action is NOW. America, stand strong. Together, we will prevail.

Trust the plan, patriots. The greatest battle in history is unfolding before us. This is the beginning of freedom restored.

No. 24-60395

Lyle W. Cayce
Clerk

REPUBLICAN NATIONAL COMMITTEE; MISSISSIPPI REPUBLICAN
PARTY; JAMES PERRY; MATTHEW LAMB,

Plaintiffs—Appellants,

versus

JUSTIN WETZEL, *in his official capacity as the clerk and registrar of the Circuit Court of Harrison County*; TONI JO DIAZ, *in their official capacities as members of the Harrison County Election Commission*; BECKY PAYNE, *in their official capacities as members of the Harrison County Election Commission*; BARBARA KIMBALL, *in their official capacities as members of the Harrison County Election Commission*; CHRISTENE BRICE, *in their official capacities as members of the Harrison County Election Commission*; CAROLYN HANDLER, *in their official capacities as members of the Harrison County Election Commission*; MICHAEL WATSON, *in his official capacity as the Secretary of State of Mississippi,*

Defendants—Appellees,

BREAKING: The 5th Circuit Court just ruled that ballots MUST be received by Election Day and any state laws that allow them to be received and counted after Election Day violate federal law

THIS CHANGES EVERYTHING. I kid you not.

"Congress statutorily designated a singular "day for the election" of members of Congress and the appointment of presidential electors. Text,

precedent, and historical practice confirm this "day for the election" is the day by which ballots must be both cast by voters and received by state officials. Because Mississippi's statute allows ballot receipt up to five days after the federal election day, it is preempted by federal law. We reverse the district court's contrary judgment and remand for further proceedings."

Because this is a decision by one of the highest courts in the nation, it impacts elections EVERYWHERE.

The joy I'm feeling right now is unbelievable. This one decision has done more to restore election integrity than anything I've ever seen.
God bless the 5th Circuit.

DiCaprio calls these "unnatural disasters" driven by climate change, accusing Trump of denying the science and warning that climate change is k*lling the planet and wrecking the economy.

KFC, Taco Bell, And Pizza Hut Remove Onions After E. Coli Outbreak

BY TYLER DURDEN

THURSDAY, OCT 24, 2024 - 11:50 AM

Update (1450ET):

Bloomberg reports that some Yum! Brands restaurants—such as Taco Bell, Pizza Hut, and KFC—are removing fresh onions from their menus in response to the E. coli outbreak affecting the US restaurant industry.

Yum! told the media outlet that pulling diced onions is "out of an abundance of caution." It did not disclose the produce supplier or specify which stores or affected regions.

Earlier, Bloomberg shined the spotlight on onion producer Taylor Farms - after US Foods, the largest supplier of food in the country, issued a recall notification for onions from Taylor Farms. It urged restaurants nationwide that it supplies onions:

"DESTROY THE PRODUCT."

Vagus Nerve RESET

Dr. Nicole LePera ✓
@Theholisticpsyc

Bookmark to practice any time you need to self regulate.

The vagus nerve is a bundle of nerves that goes from the brain stem to every major organ.

It regulates our autonomic nervous system.

We can access vagus nerve stimulation through our ears. Using your finger pull down with medium pressure. Then do some gentle circular motions. Repeat on both sides.

Notice how calm your entire body feels afterwards. How your thoughts are less racing. If you get the urge to yawn, or cry, or release your jaw— do it. This is your nervous system releasing sympathetic energy.

And yes, this is why q-tips feel so good.
